Freedom for the Iredell County Cats

Thu, 2013-04-25 14:21 — Robin Olson

I just heard from Lisa, our friend at [SPCA of Wake County](#) ⁽¹⁾ in Raleigh, NC. She gave me an update on the 9 cats (*an additional 3 cats went to another rescue*) they rescued from Iredell Animals Services last week. If you recall, these cats were subjected to being caged for 2 YEARS due to an animal cruelty investigation and subsequent court case. Once the cats were free to go, they still faced being euthanized because many have minor health issues and some are senior-aged.

SPCA Wake County didn't balk at taking on these cats. They didn't pick out the prettiest ones or easiest to adopt-they TOOK THEM ALL and my hat is off to them for their good deed.

From Lisa's email, this is what we have learned:

"Benson, Brian, Cougar and Tabitha are the first ones available for adoption. You can see their photos and listings at

www.spcawake.org/adopt ^[2] by clicking on the "**view cats available for adoption**" icon and scrolling through the alphabetical list. Attached is a photo of Tabitha and Cougar lounging in one of our communal cat rooms.

Leroy, Max and Jethro all turned out to be intact. They will be neutered tomorrow and **available for adoption starting on Friday.**

Tori had a cyst on her chin and we're waiting for lab results before we put her up for adoption.

Red Boy is a real trooper. Of his ten front claws, seven of them were grown into his paw pads. Ouch! It was quite extreme to say the least. He had surgery yesterday and after one more week of cage rest and an e-collar he should be cleared for adoption.

All nine cats have done just fine with us so far and I'm so glad we've been able to help them by giving them a high-volume adoption center to call home until the right people come along."

These cats have waited a long time. Our last act should be to make sure they all find good homes. If you'd like to adopt any of these kitties, please call or visit [SPCA of Wake County](http://www.spcawake.org). ^[3]

RE: THE IREDELL COUNTY CATS ^[10]

What great news, Robin! Sharing for them on my s/n pages with love and *PRAYERS*, and special ones for Tori and those who need spay/neuter ops. Also praying that at least some of them can be adopted TOGETHER. They're family, after all.

Happy Endings ^[12]

Love the happy ending :)

By the way, the link to view the listings doesn't work, so you might fix that (this one: www.spcawake.org/adopt ^[13]).
