First Hours in Foster Care

Spring is almost here and along with it will be more kittens who will be in dire need of rescue. **Your donation today will help us prepare for those neediest of creatures and also provide for kitties like Lady Saturday, below, a senior kitty who requires extensive medical care for the rest of her life.**

©2014 Robin A.F. Olson. Lady Saturday in Intensive Care just after her rescue. A year later Saturday's had two weeks in ICU, a dental cleaning, an ultrasound, lots of blood tests and is now being treated for chronic kidney disease and getting sub q fluids three times a week. We never let costs stand in the way of appropriate care for every cat who is in our program.

Thank you SO MUCH to our friend Karen, one of the owners of Satiama, for her endless enthusiasm for our work and for her compassion and generosity. Thank you to everyone for helping keep our doors open and making it possible for us to continue to save lives!
