Give Bob a Hug Day

Wed, 2009-07-15 23:27 — Robin Olson

I dread tomorrow. Bob Dole has to go in for a dental procedure. Normally, this wouldn't be a big deal, but since Bob is who-knows-how-old and he has FIV+ and he has bad gums and worse teeth, that I flat out worry he won't even get through the surgery.

I must have the dental done. Since Bob's immune system is compromised, infected gums could kill him. He also has a mysterious head shake. He's had it since he came to live here 3 years ago, but it's worse now. I wonder if it's a dental issue? We can't seem to figure it out.

Bob may lose the rest of his teeth tomorrow, too. I hope not. For his sake, but that said, the food he likes is mooshy so he should be able to manage it all right. I guess we'll see.

The other thing on my mind is that Nicky flared up with a URI. Not too bad, just juicy sneezes. Now Spencer may be sick and Bob, too. It's hard to tell. I guess I'm so worried about him I want to be extra safe. I got him a shot of a new antibiotic called [Convenia](#) ^[1] on Tuesday as a precaution to help him fend off any URI secondary issues and to help him with the aftereffects of the dental.

Bob's three year anniversary living with me approaches. I'm so glad he's here. I sure hope he'll be here lots longer. I love you, Bob! Hope you have a great day tomorrow and all goes smoothly.
