Here Comes da Judge-the 2013 Internet Cat Video Festival!

Mon, 2013-04-29 08:35 — Robin Olson

I've been keeping some really exciting news under wraps. It would have been good enough to tell you that the **Walker Art Center's (WAC) Internet Cat Video Festival** is coming back bigger and better to the Minnesota State Fairgrounds, August 28, 2013 at 7pm and that the crowds are expected to top 13,000 cat lovers from around the globe, but..there's more!

I'm thrilled to announce that I will be one of the Juror's of this year's show!

I'm deeply honored to be part of WAC's group of cat-centric writers, entertainers and cat behaviorists who will be reviewing thousands of videos, with one goal-to tease out top contenders in nine different CATegories. Winning entries get the coveted Golden Kitty (*statuette, not a real cat!*).

SqueeTV ^[12]

Hi Robin-

I am loving your SqueeTV cam, and watching the kittens each day, as they grow. Watching Mama Minnie is equally as entertaining. She is certainly being such a good Mama, especially in the warm and safe environment that you have provided! I do have one question. Does your cam have sound? I have my sound turned up all the way, but I hear nothing on this site. (I do get sound from other sights). Bless you for the work you are doing.

Yes ^[14]

There IS sound but I have it turned WAY down or else you hear the washing machine running or nearby toilets flush! Sorry about that, but it's the best I can do! :-)
