From Meh to ME-OW!!!!

Tue, 2011-04-19 23:35 — Robin Olson

This is Bobbi (image below) a few weeks after we rescued her. She was badly flea infested and severely underweight from being kicked out by her owner and left to fend for herself. A few hours after I posted about her, I got in a third photo (see bottom image). I couldn't help but compare it to one I shot last year.

Her new family, the Murdoch's, definitely know how to turn that "MEH" into "MEOW!." It's hard to believe that this is the **SAME** cat. The only thing that changed for her was now she gets a great diet, good Veterinary care and lots and lots of love.

Is it just me, or is there a glimmer of joy in her eyes that wasn't there before? I can't believe the transformation! Is Bobbi part Maine Coon? Maybe part Norwegian Forest Cat?

Bobbi, you're a dream come true. I'm SO HAPPY for you and your new family! **Thank you Murdoch family for doing right by this sweet girl.** I wish we had a thousand adopters just like you!
