## Not On My Watch: EMERGENCY FUNDRAISER FOR 2, 4 WK OLD KITTENS

### BREAKING NEWS!

©2012 Maria S. Lucky for him, Maria saw this poor little kitten laying in the street when she was driving home from work.

**I just got these disturbing images of a VERY WEAK, sick, flea-infested, 4 week old kitten who is barely alive. He's VERY THIN and too weak to run off.** Maria found him, along with his sister in the SAME YARD as where we just rescued a mama cat and 3 of her kittens a month ago. These folks have a track record of NOT caring for their cats at all. **Last time two of the kittens we were going to rescue "disappeared" and were never seen again!** We can't let that happen a second time so **we've offered to take these two kittens before they DIE!**

©2012 Maria S. This poor little guy couldn't even stand.

**We MUST get some funding to help provide for immediate Vet care** (which will cost more money, but we can't wait until Wednesday to get them to our low cost Vet), along with funds to provide for their future Vet care.

**There are TWO kittens. I only have photos of the one right now. The other is a shy Tortie!**

©2012 Maria S. How can the person who is supposed to be caring for this kitten NOT NOTICE the little guy is SICK???

**If you can help us with a donation, we would appreciate it VERY MUCH!! EVERY DOLLAR HELPS!**

The donation you provide to this Emergency Rescue is **TAX-DEDUCTIBLE** as we are a 501(c)3 Non-Profit Cat Rescue.

If you'd prefer to send a check, please make it out to: *Kitten Associates* and please note on the check the funds should go to "Two Kittens Fund" mail it to:

**Kitten Associates**  
**P.O. Box 354**  
**Newtown, CT 06470-0354**

Any funds not used for the care of this family will go into our General Fund.

**If you can't make a donation, you can help us by getting the word out. Every dollar helps and every Re-tweet or FB Share does, too. THANK YOU for caring about these little babies!**
