## Not on My Watch: I Just Can't Do Nothing

Sun, 2010-12-19 12:48 — Robin Olson

*I've got **five** foster kittens headed my way. They'll be here in an hour. My dear cat, Bob is having very serious surgery tomorrow to try to remove a mass from his liver. He may not survive. He may have a belly full of cancer. Christmas is in less than a week and I am nowhere near ready...*

...yet...

I can't look away from this poor girl sitting at Henry County. **She's been in quarantine for almost ten days without any vet care** after being injured when she took refuge inside a car engine to get warm. I just have to help her.

**This is Noelle.** She'll be staying with our best foster mama in the world until she's ready to come to CT and join us at Kitten Associates. **Because she's injured and may have to have part of her tail amputated, we're going to start fundraising for her right now, even though we don't know what she's going to need.** If we need less than I'm asking for, I will change the ChipIn widget. **I will only ask for just what we need and no more. Hopefully we can get the job done. She'll be seeing a vet, tomorrow. No more waiting, silently in pain.**

Merry Christmas little one. I hope we can help you find your confidence, love, a warm loving home and a pain free life soon. Bobby's coming to get you tomorrow. Hang tight!

Please help spread the word so we can get the funds we need to provide Vet care for this baby! **THANK YOU SO MUCH!**
