## Welcome!

These are the stories of my life, rescuing, socializing, and standing up for the rights of cats everywhere. It's an amazing journey, one of inner and outer tribulation and triumph, of heartache and hope. As I struggle to make ends meet, get my Non-Profit cat rescue off the ground and simply find my way in the world; I extend my hand out and ask you to join me in my dream of finding a home for every cat and to stop the insanity of euthanizing adoptable animals as a way of population control.

And I do all that while caring for my own 8 cats who leave me somewhat cranky and perpetually **Covered in Cat Hair**.

**Welcome.**
