WINNER BEST CAUSE BLOG. Kitten Associates!

Fri, 2014-09-26 17:52 — Robin Olson

I'm completely shocked, honored and delighted to win the 2014 DogTime Media Pettie Award for Best Cause Blog!^[1] Thank you Dogtime Media and all our friends who voted for our little rescue Kitten Associates and who believe and support what we do.

We'd also like to Congratulate and Thank Ingrid King, who writes The Conscious Cat^[2] and Angie Holland Bailey, who writes Texts from Mittens,^[3] who also won in their categories. Part of their award is a \$1000.00 donation to any rescue or shelter and they both chose Kitten Associates. This means that we will soon have \$3000.00 in award donations we can put towards our rescue efforts.

More than any amount of money or trophy, this award means we're on the right track—that our efforts have meaning to all of you, even more than simply (*though it is never really simple*) saving lives. We work very hard at what we do and are devoted to the cats in our care. I love sharing stories of how rescue works and how although it's not always a happy ending, it is one filled with love.

Thank you to everyone who tirelessly voted for us. We can feel your love, big time!

RE: AWARD^[4]

Although I support and laud every responsible and caring cat rescue, sanctuary, and shelter out there, I couldn't think of one more deserving than yours. I know you'll apply that prize in the best possible way, to/for the best possible recipients! >^^<
