

## NOW AVAILABLE FOR ADOPTION:

### **The Best Kittens Ever!**

Yes, it's true, **The Best Kittens Ever** are ready to find their forever homes! They are 6 months old, have been spayed or neutered, and have had their first year's vaccinations. They had a rough start because they were separated from their mother when they were only days old, but went to a foster home where they were raised and socialized.

**Ollie** (aka Oliver, aka Mama's Boy) is a golden bundle of love. He loves to be held and cuddled and may not be aware that he's a cat since he was raised by people.

**Miss Moppet** is the boss of her brothers and the queen of all she surveys - preferably from the highest point in the room.

Who has salt & pepper hair, is completely charming and looks great in a tux? **George Clooney**, of course!

All three of **The Best Kittens Ever** get along with other cats and have learned not to mess with the business end of a ferret. They are very social and healthy. Adoptions must be approved by the Stevens-Swan Humane Society. If you think you would like to adopt one (or two, or three) of **The Best Kittens Ever**, call Anne at 315-725-2803.
